

CONGRESSIONAL HEARING ON GAY CIVIL RIGHTS SET

Moral Majority gives false info on Senator Kolbe

by John DeWitt

TUCSON - At least one set of answers to Moral Majority's survey of political candidates' stands on moral and patriotic issues apparently was forged. Sen. Jim Kolbe (R-Tucson) returned from a trip to Nigeria to find that Moral Majority, a religious-oriented political group, had published "his" answers to 48 of the group's questions about the economy, morality, law and order, education, religious freedom and other subjects. The answers weren't his, though, said Kolbe. "I never even received the questionnaire," he said. "I know because I was looking for it...it had received so much publicity."

Kolbe's alleged responses weren't exactly true to the Tucson Republican's beliefs or past public stands, either. The answer sheet, with responses to the "yes" or "no" questions typed in, said Kolbe opposes the Equal Rights Amendment, yet he has co-sponsored the amendment to the U.S. Constitution several times and has voted for it six times. Kolbe also was a leading opponent of an amendment, passed during the Legislature's special session on taxes and school finance, which prohibits public funding for abortions. He has opposed similar footnotes to appropriations bills. But "his" answers to the Moral Majority questionnaire had him on the opposite side of that question too.

The questionnaire said Kolbe opposes equal rights for Gays, but he has voted to remove criminal penalties for homosexual conduct from criminal law. "I don't know if it was done maliciously or as a practical joke or what," Kolbe said of the fake reply. "It was dumb." The senator said he wouldn't have answered Moral Majority survey questions at all except to acknowledge receipt of them, as many other legislators did. "I would have thought that since the questions were obviously answered the way they wanted, it might have raised questions," Kolbe said, "but Edith Richardson (the group's Phoenix coordinator) pointed out it would have been presumptuous of them to call a candidate and say, 'Did you really mean this?' I rather dislike and resent this approach anyway," Kolbe said, criticizing the need for someone to interpret the candidates' answers. "I have a record as a legislator, and I am perfectly content to run on that record."

Richardson acknowledged that Moral Majority had not double-checked the questionnaire. "We never entertained the thought that someone would play games like this," she said. She said that Moral Majority will correct the error when it republishes the results of its survey for the general election. She speculated that the sender "had to be someone who got one in good faith and used it as an ugly prank." Richardson said Moral Majority will exercise tighter control over the questionnaires in the future, perhaps using a numbering system to check authenticity.

Pennsylvanians would make sex illegal

HARRISBURG, PA (Update) - It's an election year and Pennsylvania legislators apparently would rather outlaw all sexual activity than allow homosexuals to remain legal residents of the state. As a result of a State Supreme Court decision, the state's law criminalizing homosexuals was declared unconstitutional. H.B. 2674 would outlaw all sexual activity in the state of Pennsylvania except sex between such persons as the state certifies as married. Such married persons may then engage in one type of sex act.

One Philadelphia sponsor of the bill, Rep. Martin Mullen admitted he didn't know what the bill says. Accord-

WASHINGTON, DC - The Gay Rights National Lobby (GRNL) announced that the first Congressional hearings in history on Lesbian/Gay civil right bill H.R. 2074, will take place on October 10 in San Francisco. The hearings, which were requested by Representative Ted Weiss (D-NY), will take place before the Equal Employment Opportunity Subcommittee of the Committee on Education and Labor. The Chair of the Subcommittee is Rep. Augustus Hawkins (D-CA), a co-sponsor of H.R. 2074.

Steve Endean, Executive Director of Gay Rights National Lobby, indicated that hearings will be held at this time because Congressman Weiss felt it was helpful to the progress of the legislation. "Although we had originally anticipated the first hearings to take place next year, Congressman Weiss has a great deal of legislative experience. We will work closely with his office to make these hearings a strong and effective step toward enactment of national civil rights legislation. Asked if he was concerned about the hearings taking place in San Francisco, which has an image as a 'Gay mecca,' Endean explained that the location was set by the Subcommittee not the Lobby. "I'm sure the activist community in San Francisco understands that the hearings can help demonstrate to the nation that Gay civil rights is in the mainstream and will work closely with the Lobby to ensure that result."

Among those testifying in support of the bill are: Dr. Judd Marmor, former President of the American Psychiatric Association; Dolores Huerta, Vice President of the United Farm Workers; Gwen Craig, Vice President of the Harvey Milk Democratic Club; and Raymond Hartment, Co-Chair of the Board of the Gay Rights National Lobby. Political and religious leaders are also expected to speak for the legislation. Additional Congressional Hearings are expected next spring, probably in Washington, DC.

Oregon Gays seek to repeal tax exemptions from anti-Gay churches

PORTLAND, OR (BAR) - Those who have watched the escalating religious wars in the United States with concern will be cheered by efforts being made by the Portland Town Council. PTC has appealed to the Internal Revenue Service for action against certain Portland church officials who have engaged in political activity which violates the terms of their churches' tax-exempt status. An existing IRS rule forbids churches from making political endorsements. According to IRS rules it is illegal for a church to (A) endorse candidates for office or recommend their defeat; (B) send questionnaires to candidates asking for their opinions on such issues as Gay rights; (C) display others' anti-Gay hate literature on bulletin boards or distribute it to congregations if it urges rejection of Gay civil rights; or (D) aid a political candidate in almost any way.

PTC's action was prompted by a hate letter circulated by Rev. Donald Baker to "concerned voters" denouncing the moral climate in Oregon and urging churchgoers to vote against 64 candidates endorsed by PTC in the May primary election.

The letter to the IRS stated, "We are happy to engage in political debate with our adversaries, but we believe that the terms of debate should be equal. Specifically church officials should not be permitted to urge the defeat of specific political candidates while retaining a tax exemption. We believe that it is illegal under the Internal Revenue Code for the Rev. Baker and other church officials to use their pulpits and their positions to lend negative endorsements to candidates for partisan elective office."

CITIZEN'S GAY SERIES IS NATIONAL FINALIST

NEW YORK, NY (AP) - The Tucson *Citizen* is among nine daily newspapers selected as finalists for the public service award of the Associated Press Managing Editors Association for papers with circulation over 50,000. The *Citizen* was cited for its four-day series on "Homosexuality - How Gay Is It". The winner will be announced at the APME convention in Phoenix in November. All daily newspapers that are members of the Associated Press are eligible to enter. Entries covered a wide-range of subjects, from police brutality to business mergers to quality of education. Many of the reporting efforts resulted in removal of public officials from office, passage of corrective legislation and other reforms.

"Collectively, the contest entries reflect many of the ills, along with many strengths of today's society," said Joseph W. Shoquist, chairperson of the judging committee. The controversial *Citizen* series was reprinted almost in its entirety in the AGN. Copies are available on request.

SAN FRANCISCO HOTEL BURNS

SAN FRANCISCO, CA (BAR) - A fire raced through an inside wing and 12 rooms were destroyed at the Casa Loma Hotel. The blaze caused considerable damage; owner George Roll estimated damage at \$150,000. The restored 4-story Victorian hotel at the corner of Fillmore and Fell Streets will be closed to repair the damage of the three-alarm fire.

Stephen Grant, 30, a guest at the hotel has been arrested by police and charged with arson. The fire began in Grant's room, and it is reported that he had tried to set fire to himself. The Casa Loma, a Gay owned and operated hotel, has been a successful and popular spa for out-of-town guests. It began operations in the spring of 1978. Roll told BAR that the Alamo Square Saloon will remain open during the repair work on the hotel.

GAY CAN BE ON JURY, JUDGE SAYS

NEW YORK - A person cannot be barred from jury duty because he or she is a homosexual, a judge has ruled, saying that would be "tantamount to a denial of equal protection under the U.S. Constitution." Criminal Court Judge S. Herman Klarsfeld made the ruling last Tuesday, Sept. 23, in connection with the trial of Frank Viggiani, 18, who pleaded guilty to misdemeanor assault in attacks by youths here last December on persons they considered to be homosexuals. In jury selection, defense attorney Peter Willis asked the judge excuse a potential juror who was an acknowledged homosexual.

SAN FRANCISCO 23% GAY

SAN FRANCISCO, CA (Update) - Gays make up over 23 percent of San Francisco's population, according to census officials. Raw 1980 census data indicates a conservative 150,000 Gay population for the city, but the figure could be up to 200,000 according to a ranking Census Bureau official, who asked not to be named. The official told the *Sentinel* his data was based on several factors, including the number of single men in the city and the fact that some 80,000 households in the northern half of the city alone were of unmarried persons.

LESBIAN APPLIES FOR SHERIFF

CONTRA COSTA COUNTY, CA (GCN) - The fate of an open Lesbian struggling to become a county deputy sheriff is now in the hands of a Superior Court Judge, who has promised a ruling in two weeks. Denise Kreps, 25, of Pleasant Hill, has worked as a dispatcher for 2½ years and as a reserve deputy for the past two years. She applied for the job of deputy sheriff in February, 1979, placing 16th on the eligibility list.

Sheriff Richard Rainey asked Superior Court Judge Richard Calhoun last week to disregard the county Civil Service Commission's recent ruling that a woman's sexual orientation has no bearing on her ability to serve as a deputy sheriff. Following testimony, Calhoun took the matter under advisement. Even if the judge rules against her, the issue probably won't be resolved for years.

As part of a standard application process, Kreps had been given a polygraph examination, during which she admitted she had engaged in "homosexual acts" since she was 17.

CBS Gay report called unfair

DES MOINES, Iowa - The National News Council has found that the controversial CBS documentary on Gay Power in San Francisco presented an unfair picture of homosexuality. The council, meeting at Drake University, considered complaints against CBS for its April 26 telecast "CBS Reports: Gay Power, Gay Politics." The documentary was anchored by Harry Reasoner and produced by Grace Diekhous and George Crile, who also served as the on-camera reporter. The hour-long broadcast presented a succession of events, scenes and interviews surrounding the 1979 San Francisco mayoral campaign, which was won by Dianne Feinstein.

The program, "tended to reinforce stereotypes," the council announced, "by concentrating on certain flamboyant examples of homosexual behavior. . ." The council also found that the program "exaggerated political concessions to Gays, and made those concessions appear as threats to public morals and decency. However, the council disagreed with another complaint against the program, that it overplayed the political significance of San Francisco Mayor Diane Feinstein's apology to Gays for statements she made about them and community standards in a magazine interview. The apology was made during a hotly contested mayoral race.

Complaints against the program were made by the San Francisco Board of Supervisors, the San Francisco Human Rights Commission, The National Gay Task Force and freelance journalist Randy Alfred of San Francisco. The council is an independent, non-profit organization that examines complaints about news coverage and releases its findings but has no enforcement or penal power. In its findings, the council said it could find no justification for the program's "degree of attention given to sado-masochism or the treatment of the Beaux Arts Ball" and depiction of Gays in other sequences. "Authoritative sources agree that sado-masochism is practiced extensively by heterosexuals, yet the broadcast treats it as distinctly homosexual," the council said. A firm shown on the program that caters to such trade is owned and patronized almost exclusively by heterosexuals, said the council.

In a statement responding to the council's findings, CBS said, in part, "We disagree with the council as to its findings on our portrayal of sexuality." CBS said it welcomed that part which "upholds our editorial fairness" on the matter of the mayor's apology and also the relevance of sequences of the documentary showing Gay cruising in the city's Buena Vista Park. Charles Brydon, co-executive director of the National Gay Task Force, said he was pleased by the findings. "My hope is that out of this will come an increased sensitivity on the part of electronic news journalists to the need to go beyond what seems to be the sensational and the surface..." said Brydon.

On a related matter involving the program, the council faulted CBS for inserting applause by Gays out of sequence during the Frinstein apology, but noted that the network already had admitted it had erred in doing that. The council's vote was 9-1, with Jeffrey Bell of the American Conservative Union casting the dissenting vote, and William Rusher, publisher of the National Review, casting a partial dissent.

Perspective

PHOENIX - At this time in Arizona, one of Mesa's finest policemen was thrown out of the department upon disclosure of his homosexuality. Sections 13-1411 and 13-1412 of the Arizona Criminal Code (revised) are used selectively in this state just as Paragraph 174 was used in Hitler's Germany. These sections of the Code are used as an ongoing threat against anyone who would dare admit his or her natural natural sexual orientation, or as an expression of freedom in our society - FREEDOM INDEED! Police officer Steve Horn found out just how free he is. This could not have happened in the Germany of today, for in Germany Gay people paid the highest cost in all of history for their freedom.

Come meet Steve Horn and hear more of his experience at the hands of the Mesa Police Department. Also hear what happened in Hitler's Germany in the 1930's and be aware of the now growing threat to Gays in America. Gay civil rights activist Roland Atkins and Gay ex-police officer Steve Horn will be the guests of the Arizona Civil Liberties Union in a panel discussion on Saturday, September 27, 7:30 p.m. at the Arizona Education Building, 2102 W. Indian School Road, Phoenix. There is plenty of parking at the rear of the building. There will be a \$3.00 donation at the door. Everyone is invited to attend this important meeting for the current Arizona Focus on the Gay/Lesbian Liberation Movement.

TRIXIE TELLS ALL

By

Baroness Trixie Von Sleute'

PHOENIX - I'm back again after recuperating from the "Macho Man Contest". The sight of all those gorgeous men was more than I could take. More on that later in this column. HOW SWEET THEY ARE - This week I have chosen to recognize two of my favorite bartenders. They are both named David.

I like to walk into a bar and the bartender not only knows what I drink, but has it made before I can ask. Such is the case with David of the Connection. David works weekdays from noon till six and has built quite a daytime following including yours truly.

David of Harpo's also works days. Along with bartending, he occasionally is a waiter in the showroom. He makes everyone feel comfortable. Thank you David for being such a good person, great bartender and friend.

A tip of the tarnished tiara to both of you, genuine assets to the Phoenix Gay community. CONGRATULATIONS - My good friend Steve Daugherty should be commended for producing "The Directory". It is probably one of the best directories I have seen. Steve also produces directories for Colorado, Dallas and Houston. The Arizona Directory includes Gay and Gay-oriented businesses and services in Phoenix and Tucson. Please patronize the advertisers and tell them Steve and "The Directory" sent you. Get a copy at any of the bars.

A REAL SONGBIRD - Jody Sims recently moved to Phoenix from Oklahoma City. Jody composes and performs her own music. Her music is sensitive and compelling with a real perspective on Gay life. She has written a very thought provoking theme song recently adopted by Los Amigos del Sol club. Any Gay club or organization that plans on having entertainment at an event should keep Jody in mind. She can be reached by contacting L.A.D.S. club. Jody, we salute you and your talent.

AROUND THE TOWN - Speaking of Los Amigos del Sol, the club will be hosting it's second annual Monte Carlo Night, Saturday, October 4, at the Pulaski Club, 4331 E. McDowell Road. Doors open at 6:00 p.m. with \$1.00 admission, and here's what you have to look forward to: Roulette, Blackjack, Craps, Poker and Wheel of Fortune. Tickets will be sold for all casino games, food and drinks. \$1.00 buys 20 gaming tickets. Mixed drinks will be \$1.00 with beer and soft drinks at 50¢. Tacos and tostadas will be sold for \$1.00. From 11:00 to Midnight there will be an auction with grand prize, a bumper-pool table. Other valuable prizes will also be auctioned. Hard working co-chairs of the event Sharon and Leora promise everyone an evening of fun and still help a good cause because proceeds go towards continued charitable and social activities. Bring money - lots of it and enjoy.

LADS has contributed a great deal to the Gay community and has come a long way the past year due to capable and stable leadership of Dan Kleven. Meetings are held the 2nd Saturday of each month, 12 noon, Farrah's Lounge, 4017 E. Indian School. You owe it to yourself to find out what LADS has to offer you and the Gay community..

The 1980 Macho Man Contest at the Forum/Boardwalk brought out 12 of the best looking men as contestants that I have seen in 10 these many years. The competition was stiff. The winners were: Tim Connelly, third runner-up; Bob Ess, (1980 Mr. Forum winner), second runner-up; Joe Watt of Farrah's Lounge, first runner-up; Glen Johnson was chosen "Macho Man of 1980" winning \$100 first prize. Anyone who saw Glen knows he's all man. Congratulations, Glen. I'm also single, (hint hint). The contest was lots of fun but of course it was over one half hour late getting started. Things seemed very disorganized. All-in-all though, owner Bill Reinke can be commended for providing Phoenix with good looking entertainment.

DON'T FORGET - Support of the Alternative Relations Center fund raising drive is crucial to all Gay people. Your help is needed.....Remember, carry an ID whenever going to a bar. It makes no difference how old you are - no ID - NO DRINK!

AND IN CLOSING - For too long now whenever anything has been written about shows or events everything was said to be wonderful. If something is mediocre, I believe you deserve to know it. You may not agree with me and that's fine. I feel I owe my readers a fair and honest assessment of events and what's going on. Hopefully, my observations may help you to strive for quality instead of mediocrity. If you want the best, you must demand it.

SOON TO COME - Trixie in Tucson and "Where to go on Sundays." So, until next time, this is the old Baroness saying Ta Ta for now.

NIX - Well, one more busy week has come and gone in the day of the Sun and one more week of busy activities. We know Phoenix bartenders have got to be the busiest people in the state and this week has been no exception.

Taylor's hosted their 1st year anniversary Tuesday night and the layout was fabulous. Dale Williams has proved to be one of the best bar owners in town for putting together for his customers (food that is!). The complimentary appetizer was beautifully served and absolutely delicious. The crowd certainly had their fill. The Swedish meatballs were stupendous and the cabbage rolls equalled Mom's. Not bettered them. And the waiters were outfitted in completely new fall wardrobes. I was told that this new ensemble is one of three new ones, so be sure to go in and see the new atmosphere they are sure to create. Congratulations Dale!

Speaking of new atmosphere's, have you been to Taylor's and Clyde's now that the paneling has been torn down? I am sure you won't be disappointed in the new look. And their bartender Mike would rival any looker in town. Worth one or two drinks just to go in and see him behind the bar. Stop by and say I sent you.

This weekend is the final, final, final show at Taylor's that star Miss Cissy Goldberg. In the realm of personalities, everyone in town pales a little bit compared to her. Her patter is unmatched and timing is spot on to a "T". The show surrounding her is marvelous and probably just what the "doctor" ordered to give everyone the energy they need from the zaniness of Miss Goldberg. A truly talented performer, she has been held over Thursday, Friday, Saturday, Sept. 25, 26 and 28. If you have never had the chance to see Cissy on stage, make reservations and GO!!!

Remember NuTowne Saloon is still going full guns. It's worth the drive east on Van Buren to have a drink and relax at that bar. Besides, think of all the chances to see on Van Buren on the way!.....Sammy's on Van Buren is serving delicious lunches now and a soft and beautiful bar is nice to stop into on a dull, lazy afternoon.....It's also worth the stop.....D.L.'s show format changed with lots of productions and Scotty with Elvis Jimmy at the Y.M.C.A.

Phoenix is hopping with activities and there is no reason for anyone to say, "I don't have anywhere to go!" Just get out and find your place. You'll be glad you did.

P.S. Trax has a dance floor and music is playing. You do with it is up to you. Trax's Grand Opening will officially be on October 2nd. It should prove to be a real fun time.....Also, Sammy's Steak House and Saloon will be having their Grand Opening Sunday, September 28th. Be there, also a real fun time.

CBS Gay report called unfair

DES MOINES, Iowa - The National News Council has found that the controversial CBS documentary on Gay Power in San Francisco presented an unfair picture of homosexuality. The council, meeting at Drake University, considered complaints against CBS for its April 26 telecast "CBS Reports: Gay Power, Gay Politics." The documentary was anchored by Harry Reasoner and produced by Grace Diekhous and George Crile, who also served as the on-camera reporter. The hour-long broadcast presented a succession of events, scenes and interviews surrounding the 1979 San Francisco mayoral campaign, which was won by Dianne Feinstein.

The program, "tended to reinforce stereotypes," the council announced, "by concentrating on certain flamboyant examples of homosexual behavior. . . ." The council also found that the program "exaggerated political concessions to Gays, and made those concessions appear as threats to public morals and decency. However, the council disagreed with another complaint against the program, that it overplayed the political significance of San Francisco Mayor Diane Feinstein's apology to Gays for statements she made about them and community standards in a magazine interview. The apology was made during a hotly contested mayoral race.

Complaints against the program were made by the San Francisco Board of Supervisors, the San Francisco Human Rights Commission, The National Gay Task Force and freelance journalist Randy Alfred of San Francisco. The council is an independent, non-profit organization that examines complaints about news coverage and releases its findings but has no enforcement or penal power. In its findings, the council said it could find no justification for the program's "degree of attention given to sado-masochism or the treatment of the Beaux Arts Ball" and depiction of Gays in other sequences. "Authoritative sources agree that sado-masochism is practiced extensively by heterosexuals, yet the broadcast treats it as distinctly homosexual," the council said. A firm shown on the program that caters to such trade is owned and patronized almost exclusively by heterosexuals, said the council.

In a statement responding to the council's findings, CBS said, in part, "We disagree with the council as to its findings on our portrayal of sexuality." CBS said it welcomed that part which "upholds our editorial fairness" on the matter of the mayor's apology and also the relevance of sequences of the documentary showing Gay cruising in the city's Buena Vista Park. Charles Brydon, co-executive director of the National Gay Task Force, said he was pleased by the findings. "My hope is that out of this will come an increased sensitivity on the part of electronic news journalists to the need to go beyond what seems to be the sensational and the surface..." said Brydon.

On a related matter involving the program, the council faulted CBS for inserting applause by Gays out of sequence during the Frinsein apology, but noted that the network already had admitted it had erred in doing that. The council's vote was 9-1, with Jeffrey Bell of the American Conservative Union casting the dissenting vote, and William Rusher, publisher of the National Review, casting a partial dissent.

Perspective

by Roland Atkins

PHOENIX - At this time in Arizona, one of Mesa's finest policemen was thrown out of the department upon disclosure of his homosexuality. Sections 13-1411 and 13-1412 of the Arizona Criminal Code (revised) are used selectively in this state just as Paragraph 174 was used in Hitler's Germany. These sections of the Code are used as an ongoing threat against anyone who would dare admit his or her natural natural sexual orientation, or as an expression of freedom in our society - FREEDOM INDEED! Police officer Steve Horn found out just how free he is. This could not have happened in the Germany of today, for in Germany Gay people paid the highest cost in all of history for their freedom.

Come meet Steve Horn and hear more of his experience at the hands of the Mesa Police Department. Also hear what happened in Hitler's Germany in the 1930's and be aware of the now growing threat to Gays in America. Gay civil rights activist Roland Atkins and Gay ex-police officer Steve Horn will be the guests of the Arizona Civil Liberties Union in a panel discussion on Saturday, September 27, 7:30 p.m. at the Arizona Education Building, 2102 W. Indian School Road, Phoenix. There is plenty of parking at the rear of the building. There will be a \$3.00 donation at the door. Everyone is invited to attend this important meeting for the current Arizona Focus on the Gay/Lesbian Liberation Movement.

The lovers Rae and Chlo will be played by Jamie L. Griffis and Melle S. Daly respectively. Geri Pritzl will portray Justine and Rhonda Whatley will play Jean.

This year's Presidential election is bringing out religious voter blocs as heavy lobbying powers. Reagan's forces have claimed a victory with the Evangelist vote. Television advertising for religious organizations has reached a new high in some parts of the country. Those who have lobbied for an end to tax exempt status for organized religion are seriously considering reversal of one of the nation's oldest mottos. 200 years ago this country was founded on the principle of "No taxation without representation." If PTC has its way, the slogan may change to "No representation without taxation."

He told PGN that sexual acts prohibited by the (state's former) sodomy law were "against Christian ethics." "This law would clearly violate the privacy of married persons, if not everybody's," advised attorney Don Martin who filed a friend of the court brief.

THE PHOENIX WOMAN

PHOENIX - Now we're into the time of year where Phoenix is enjoying lovely sunsets as the fall months are upon us. Several special activities need to be highlighted.

Please back ARC in their fund-raising drive. ARC (Alternative Relations Center) is trying to raise \$75,000 and they can't do it alone. ARC has provided many activities to the Gay community so that people do not have to feel trapped in the bar scene. They hold Rap sessions on Tuesday nights at 7:30; A.A. meetings on Tuesdays (5:30 p.m.) and Fridays (8:00 p.m.); Gay Arizona Youth meetings on Wednesdays at 7:30 p.m. and on every 3rd Wednesday at 7:30 a Board meeting is held. ARC really needs our support to make it.

Restaurants-of-Sorts wishes to announce that on October 3rd, a film on the Michigan Women's Music Festival will be shown. Now, if you want to come see the film only, (no dinner) call and make reservations at 934-9832 or 934-2675. You can eat dinner and watch the movie or just eat dinner. Restaurant-of-Sorts has an "alcohol free" evening (where no alcohol is allowed) every other Friday night. Also, Restaurant-of-Sorts is a bring-your-own-booze place

Say, if you were down at the Unlimited last Tuesday night - what a tearjerker! Tamara broke a leg - I mean broke a leg, and Lady T. filled in for Tamara. I want you to know that Lady T. had something like 2 hours notice, but did a fine job anyway. Tamara appeared briefly and did several fine numbers - in street clothes - nonetheless. Dan Williams did several numbers and is soooo good. And Angie as DJ was excellent. Because of Tamara's unfortunate accident, the Unlimited will not be having shows for awhile. Get well soon, Tamara, we'll miss you.

At the Incognito Saturday, Sept. 27, there will be a car wash (exteriors only) for \$1.00. Time: Noon till ??? Every Thursday night, there is a beer bust at the Incognito, see ya'll there.

Erica is a seamstress that will sew anything, even if you think it can't be fixed. She will sew your Levis that you thought could not be repaired. And, hey, those of you that do shows - she'll make your costumes to your

specifications. She also was the only bowler from T&J's to receive a bowling trophy from the Summer League. Erica can be reached at 258-5639. . . . Erica has also toured the new bar in town - Mardi Gras at Central and Roosevelt. Ron Travis is the owner and will be making quite a number of innovations. There is to be a "free phone" to make local calls in Phoenix and area, a wet bar upstairs, a game room, 2 pool tables, weekend bar-b-ques, etc. Jerry from the "3-0-7" is at the Mardi Gras as is Ron from "Palmer's". Hope Ron does well. Stop by and say hello

There is a lady that has (or will) be placing an ad for a roommate in the North Mountain area. If you need a place to live, call either her number in the ad or mine, and I will put you in touch with her. She really needs a roommate (male or female) so she can stop working two jobs.

Hey, Moon is bartending at the Grand Camel and little B.J. is a waitress. And what a neat bar. I'm glad that I live on the West Side. We've needed this for a long time.

Speaking of bartenders - hey Linda - Monday night football is on the air - care to wager. Linda from the Full Moon loves Monday Night Football. . . . And speaking of bartenders - Ilene is back at the Incognito! The Incog is sponsoring the "Airheads," a women's fast-pitch softball team. Jean is the coach and Helen is the pitcher. From what I hear she is so fast you can hardly see the ball. The team has 3 wins and 1 tie so far. When Cindi and Darlene return from San Francisco, they'll be glad to know the bar is in good hands with Ilene and crew.

I am hearing a rumor that Meg Christian may be coming in November to Phoenix. Many of us that are loyal fans of hers are excited about this...and if it is half as good as the Teresa Trull, Julie Homi, Jane Howard concert of last year, boy, Phoenix will be in for a special time.

The Phoenix College Center for Women has announced their A.W.A.R.E. Forums to be held on Fridays from Noon to 1:40 p.m. Call Robin or Ginny at 264-2492 (ask for the Center for Women).

That's about all for this week. The postman in Phoenix doesn't always like to deliver the mail to Tucson. Sometimes it takes 3 to 5 days! . . . If you have any news call me at 246-7328.

Phoenicians plan '81 pride march

PHOENIX - Plans are now being made for a candlelight march in Phoenix on June 27, 1981. The purpose of the march is to promote community awareness of Gays and their issues and to promote togetherness and spirit within the Gay community.

Community support is needed to help plan this march and make it a success. There are many areas included in the planning of the march, so if you or someone you know would like to contribute their time and talents to a worthy cause, come to the next meeting. Meetings are held the second and fourth Mondays at 7:30 p.m. For September the meetings are held at 1210 W. Missouri. For further information as to the location of the meetings you may contact GAI at 257-0350.

To help raise funds and to advertise the march and its date, buttons are being sold for \$1.00. T-shirts are also available in white with blue trim and are available in sizes S,M,L & XL. To buy either or both of these items, send a check for the amount plus 25¢ for postage to LGPPC, P.O. Box 33667, Phoenix, AZ 85067. Donations are also accepted and greatly appreciated. Other fund-raising projects are being planned for the near future.

DR. FEELGOOD

Hepaphobia - the fear of catching hepatitis - is running rampant in the large metropolitan Gay communities. Fortunately, this phobia and the associated epidemic outbreaks of hepatitis B have not hit Arizona.

I recently had the pleasure of talking with 11 other Gay VD clinics and the developer of the new hepatitis B vaccine - Merck and Company. The rate of hepatitis B cases in Gay men living in large metropolitan areas is becoming alarmingly high, almost reaching epidemic proportions in San Francisco and New York.

There is some good news and some bad news in the prevention of hepatitis B in Gay men. The good news is the hepatitis B vaccine is almost 100% effective and should be approved for use sometime next year. The bad news is the vaccine will require 3 shots over a 6-month period at a cost of almost \$100. The aim of the drug companies is to reduce this cost to less than \$3.00, but this won't happen in the near future.

LETTERS
LETTERS
LETTERS

Dear Editor:

I am writing this letter to personally express my feelings as a concerned individual in the Phoenix Gay community and as a member of the Phoenix Levi/Leather Club. My association with this club during the past two years has been a fulfilling and rewarding experience. That is why I am especially proud to be a part of an organization that feels it's Gay Community Center is so very important. The PLLC has been a staunch supporter of the Alternative Relations Center from the very beginning of its concept, and is continuing that support at a time when ARC needs it most.

The club's challenge to the Gay community to match a \$1,000 pledge, its contribution of all its proceeds from this year's Art Show and Auction, and its plans to run a shuttle bus service during the ARC Building Fund Weekend (Nov. 7, 8 and 9), has shown that this group of men is concerned with much more in the Phoenix Gay Community than some people may think. The PLLC in comparison to some of the other clubs and organizations in Phoenix is comparatively small. It is my hope that other Gay clubs and organizations also realize the importance of our Gay Community Center and will follow the lead of the Phoenix Levi/Leather Club and match our challenge of \$1,000 or do something on their own to support this worthwhile cause.

As I said before these are my personal feelings and not meant to be a plug for the Phoenix Levi/Leather Club. I believe this is a time when all of the Gay community both political and non-political has the opportunity to contribute to something that will directly benefit themselves.

In closing, I would like to say I am proud of the PLLC as well as the other organizations, bars and individuals who have so far demonstrated their concern and support.

Rainbow society for deaf
and arc meet

by Andre

PHOENIX - On Saturday, September 6, the home of Paul Waller and Javier Weeke was the setting for a meeting between members of the Grand Canyon Rainbow Society for the Deaf and representatives of the Alternative Relations Center (ARC). The purpose of the meeting was to explore ways in which the two organizations could cooperate in the community. A major concern of those present at the meeting was to discover ways in which the Gay Center (ARC) could be of assistance to the Rainbow Society, and how both organizations could reach out to members of the community who are Gay and deaf. Paul Consales, co-chairperson of ARC, stated that the Gay Center would do everything within its capabilities to aid the Rainbow Society and that the Center's facilities were available to the group.

The Rainbow Society for the Deaf is comprised of people who are Gay and deaf, and their friends. Charles Krampe, local delegate to the national organization, pointed out that the purpose of the society is to encourage and promote the educational, economical and social welfare of deaf citizens; to foster fellowship; to defend the rights and advance the interests of Gay and deaf citizens in the matter of social justice. Paul Waller, the president of the local group, adds that the Phoenix Chapter, comprised of some 20 members, has concentrated its efforts to social events and mutual support among members. An outreach program is planned for the future. This will be directed to both the deaf of the community and the hearing who are interested in support and fellowship with the group. Waller emphasizes that the local group is also looking for ways to relate with other Gay organizations in the Valley.

The next meeting of the Rainbow Society will be held at the Alternative Relations Center (ARC), 519 W. Willetta, Phoenix, AZ on Saturday, October 11 at 3:00 p.m. Anyone interested should contact Grand Canyon Rainbow Society for the Deaf, P.O. Box 13152, Phoenix, AZ 85002 or call ARC, 254-6500 between 7 p.m. and 11 p.m.

News Briefs

LET'S REWRITE THE BIBLE

WASHINGTON, DC (GayLife) - A proposed revision of the Book of Psalms would eliminate 243 sexist references, such as the change in Psalm I, where "Blessed is the man" becomes "blessed are they." The revised Standard Version committee within the National Council of Churches has been working for some years on a new edition of the Old Testament, and only recently completed the manuscript for the Book of Psalms. Though revised texts have been published since 1946 and been revised several times since, the sexist language issue was raised only in the last five years, prompting additional changes. Not all masculine terms will be changed.

VA. COURT TO HEAR LESBIAN CASE

RICHMOND, VA (GayLife) - The Virginia Supreme Court has accepted a case in which a Lesbian mother is fighting to regain legal parenthood of her nine year-old son. Jane Doe, a 35-year-old carpenter from Yellow Springs, Ohio, is challenging the adoption by her former husband's new wife of her son, who was abducted to Virginia by the couple four years ago.

ORANGE GROWERS STILL HURTING

NEW YORK, NY. (GayLife) - Anita Bryant and her anti-Gay rights campaigning is hurting the sale of Florida oranges and grapefruit so badly that some of the growers no longer want to be associated with the state. A group of processors have asked permission to drop the state's name from their products.

GRANT FOR GAY LITERATURE

PHILADELPHIA, PA (GayLife) - The William Penn Foundation, a relatively conservative funding organization, has awarded the local chapter of the American Civil Liberties Union a grant of \$21,000 to produce a booklet on the rights and resources of and for Lesbians and Gay men in the state of Pennsylvania. The booklet will be produced by the ACLU in conjunction with the state Governor's Council for Sexual Minorities.

Randy and Tommy want to say "thank you" for all you have done for us to make our move pleasant (as possible). You truly are some of the nicest people on earth. Please give us a chance to get situated, learning a job, get moved to our apartment around Oct. 15th (then we can stop living out of boxes), and get some permanent offices located.

Our 10:45 a.m. Sunday Service is growing along with this family of God. Please come early if you want to be assured of a chair. We are quickly outgrowing our meeting place.

Excitement is in the air as we diligently search for office space and possible new meeting location. New plans are being made for many new activities. Watch for information about a church retreat, picnics, socials, new meetings, congregational meeting, monthly Board talkbacks, open Board of Directors meetings, additional Sunday School classes at a new time, choir, etc., as we work toward our goal of becoming a new chartered church.

We "forget what is behind us and move onward, forward and upward toward the high calling that Jesus has called us."

This Sunday will be especially meaningful as the Rev. Bob Arthur, District Coordinator from Los Angeles, will be with us to Install the Rev. F. Randall Hill as pastor of MCC Tucson - Truth Chapel family. Be sure to arrive early! Our children's Sunday School is growing as is our Wednesday Night Bible Study for adults.

Our telephones will not be installed until Oct. 15th. Our office phones will be in as soon as an office is located. If you need to get in touch with me, please call 884-8186, Steve, or write P.O. Box 27628, Tucson, AZ 85726. Please excuse this delay.

Open Board meeting this Thursday and the 2nd and 4th Thursdays of each month at the 2460 N. Dodge meeting place.

As family we work together, united, at peace, growing. We need you - visit with us at our Praise and Worship Service this Sunday. You are loved! We've come this far by faith - You haven't seen anything yet!

Pastor Randy

Sunday has been designated as CHAIR SUNDAY at Casa de Cristo. Members and friends of the congregation are being asked to donate new folding chairs for the increased attendances at the services. Each chair costs \$10.00.

Pastor H. "Buff" Fisher, Minister-on-Staff at Casa de Cristo, will bring the messages this Sunday at both the 10:55 a.m. Celebration and the 7:30 p.m. Vesper Service. Pastor "Buff" formerly served as pastor of Truth Chapel in Tucson. She now serves on the staff of Casa de Cristo working with Pastor Fred L. Pattison. Pastor Fred will be out of town this weekend attending an Excel Retreat in California.

The Anniversary Weekend Celebration for the church is planned for the first weekend in October. On Saturday, Oct. 4, a Banquet will be held at Yum's Restaurant. Tickets for this affair are just \$8.00. The Anniversary Committee of the church has planned a very special program for the evening. On Sunday morning, the 5th, former pastor Bob Cunningham will be the guest speaker. The Southwest District Coordinator, Bob Arthur, will also be present for the celebration. On the evening of the 5th, the Casa Choir will bring an Evening of Music. The weekend promises to be exciting as Casa de Cristo observes its first anniversary in its sanctuary and the tenth anniversary of its chartering in the UFMCC.

Remember that on Sunday, October 12, a second Sunday morning service will be held each Sunday at 8:30 a.m. These services will take on the same format as the later service, with the pastor bringing the same message at both Sunday morning services. The early services will help to relieve the crowded conditions at the later service, as well as offering an opportunity for people who prefer early worship each Sunday morning.

I would like to thank the members of the GAU Oasis and the Gay community for their response in helping the Gay Cuban refugees. We were able to distribute clothes to some Cubans in Tempe and Phoenix. We also mailed 14 large boxes of clothes, shoes, jackets and purses, etc. to the MCC in North Hollywood, California who have sponsored about 200 Cubans. There is still a need for sponsors. clothes, canned goods, etc. If you would like to help, give us a call.

The next rap group will be on Wed., Oct. 1, in the "upper room" of Danforth Chapel from 7-8 p.m. The topic of discussion will be: "Prejudice: How, Where, When and Who?" The Wednesday night Bible Study on "The Names and Images of God" has been very informative as we have shared with and learned from one another. The next Bible Study will be on Wed., Oct. 8 from 7-8 p.m. in the "upper room", Danforth Chapel, ASU Campus.

Sunday Worship Services are held at 6 p.m. at Danforth Chapel. The sermon topic on Sept. 28, will be "The Serving Gifts of the Holy Spirit" Part III. Worship services, Bible Study and rap groups are NOT limited to Oasis members or to ASU students. ALL are welcome!!

The first EXCEL in the desert will be held on Oct. 31, Nov. 1 & 2 at Lake Pleasant. \$30.00 covers room, meals, materials etc. There will be a program on the history of the Lake Pleasant watershed and the Hohokam on Friday afternoon about 2 p.m. for those who are interested and can attend. The EXCEL weekend itself begins at 7 p.m. Friday and ends about 9 p.m. on Sunday. If you are interested in realistic Christianity, plan to be with us this weekend. For more information call 279-5878.
